Subject: RE: January Project Review - Cancer, CVD, COPD

Dear
Unfortunately I am unavailabele on both days. Either Patrick Vanscheeuwijck or Piter Terpstra will present my project.
According to their agenda they are available on both days.
I will make sure that you will receive the presentation on time.
Kind regards
Kris Meurrens
CRC

Hi all:
Resending the project list spreadsheet (as the original was missing the data!) - sorry for any confusion.

Thanks,
Valerie

Subject: January Project Review - Cancer, CVD, COPD

Dear Project Leaders:
We are once again beginning the WSA project reviews. At Rick's request, we will start in January. In January, the 2002 Cancer, CVD, and COPD projects will be reviewed (list is attached below). Project leaders should use the presentation template that was used last year (a copy is also attached below) which draws on the detail provided in your project plans. We will adhere to the same 5 minute presentation / 5 minute discussion timeframe per project as last year.

Rick and his staff are currently holding the dates of January 28 and 29. To that end, I need to confirm your availability on both dates. Please let me know no later than **Tuesday, January 15th** if you are **unavailable** on either of those dates. If you are unavailable, please advise me of an individual who can present on your behalf. If I do not hear from you, I will assume that you are available on either day and will structure the agenda accordingly.

I will confirm the final agenda on Wednesday, 1/16. Thanks in advance for your assistance with this.

Kind regards,
Valerie
